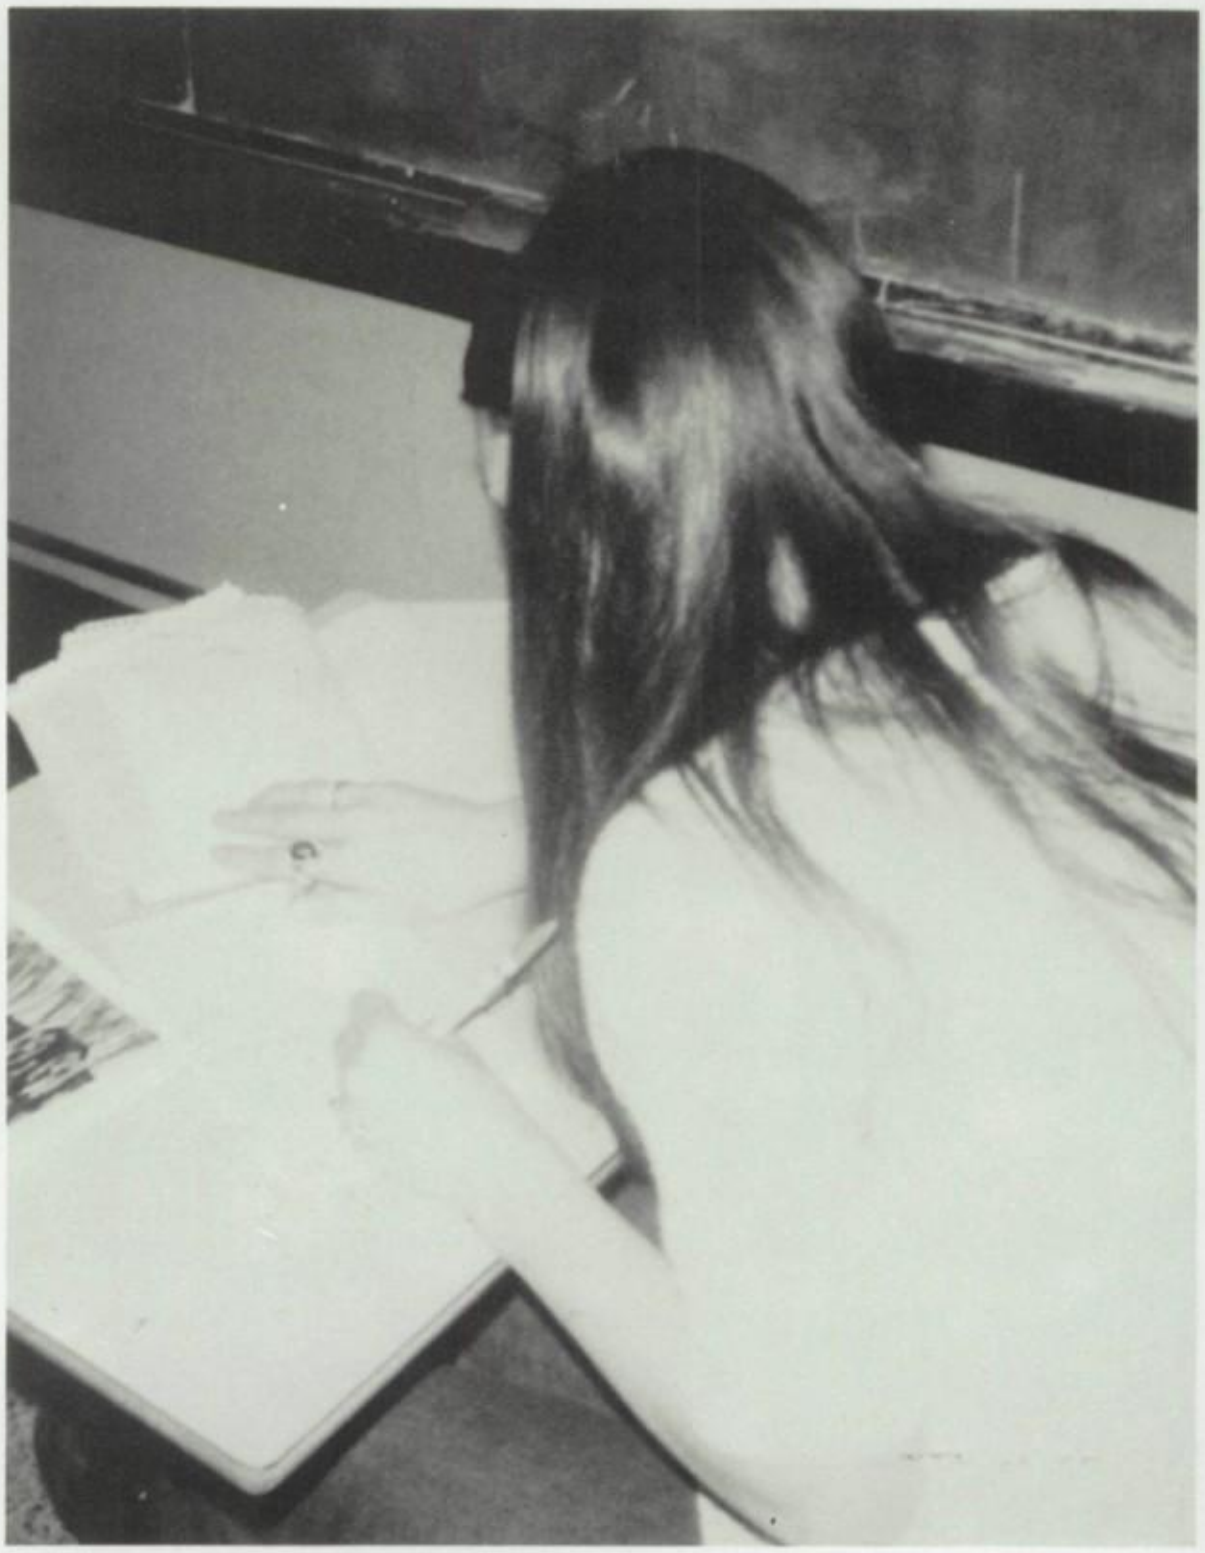
PART I



The back-to-school scene was a familiar one - assemblies, composition, "friendly" comments, and other "weighty" matters. Unique though the year was, it was composed of many ordinary activities. All in all, the mood was one of security.

Badgers Capture M & O Crown

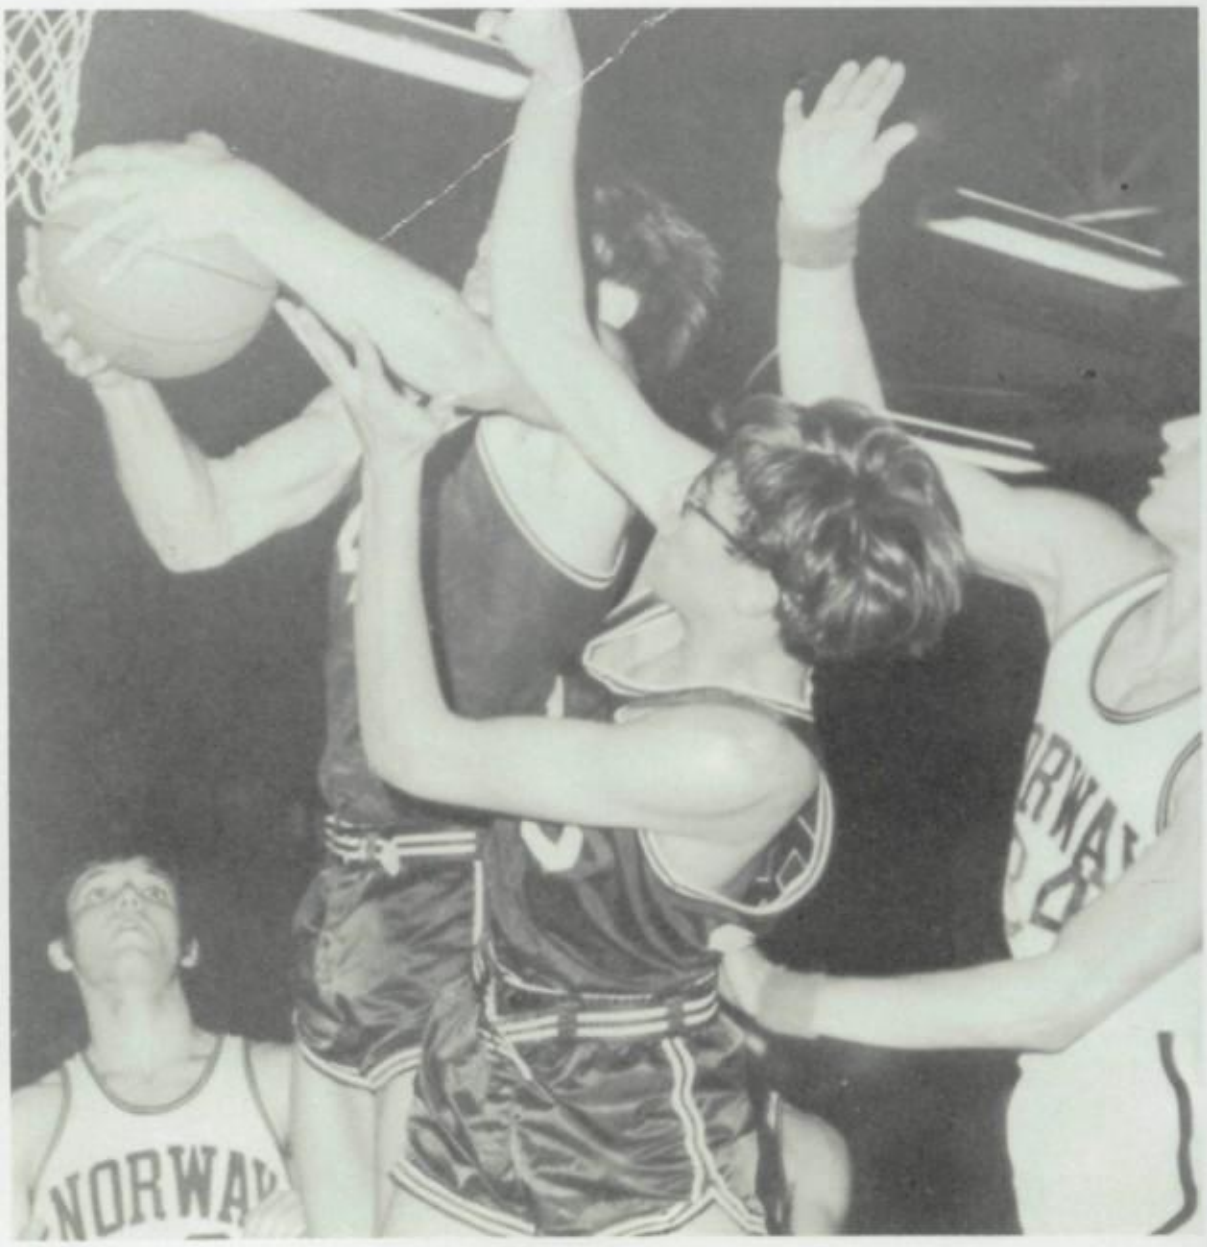
The Badgers added a perfect 8-0 record to the six wins of last year to give them a 14 game winning streak. Larry Marcellis was at the helm of the offense team which gained 173 points. Randy Wodenka broke the school's individual scoring record with 118 total points. Kevin Romitti and Tim Kadulski led the defense that allowed only 43 points this season.

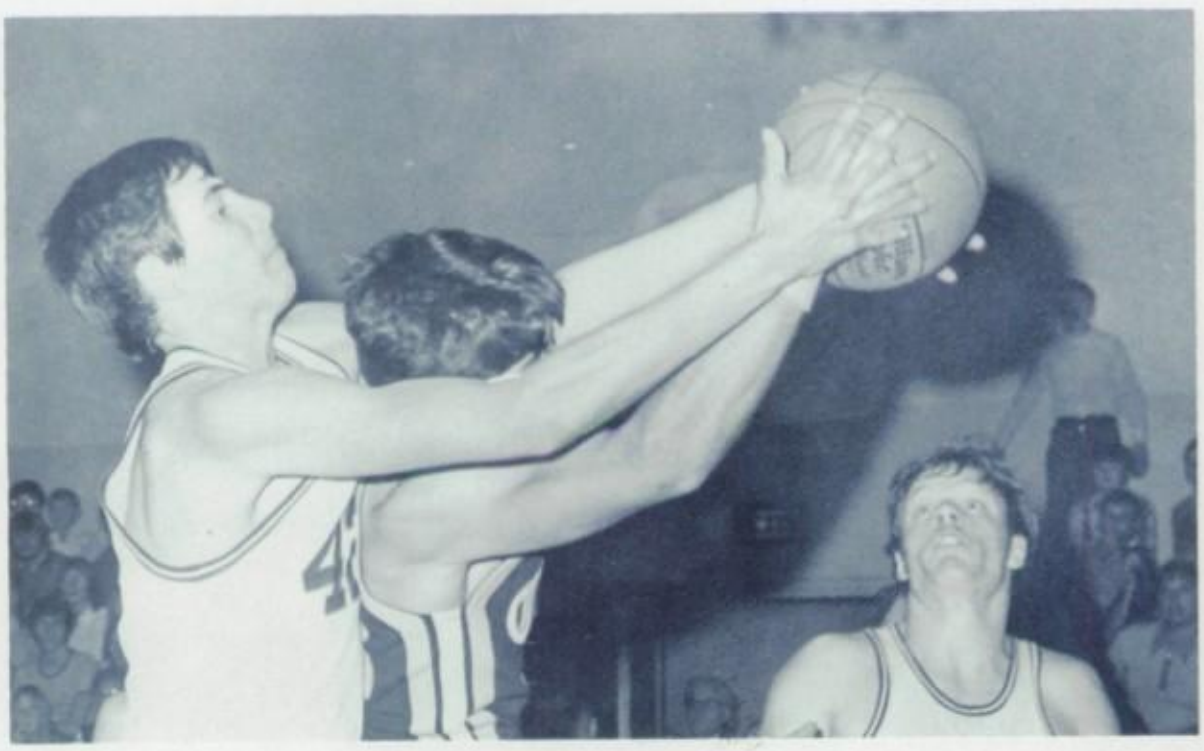
Courtesy Peshtigo Times

1973 Homecoming Hailed a Success

The Badgers won a come-from-behind Homecoming game on Saturday, October 6, and kept the magical spirit of M. Ropele field alive. That same spirit filled the NHS gym where the dance was held. Randy Wodenka and Debbie Recla reigned over the night's activities as the 1973 Homecoming royalty.

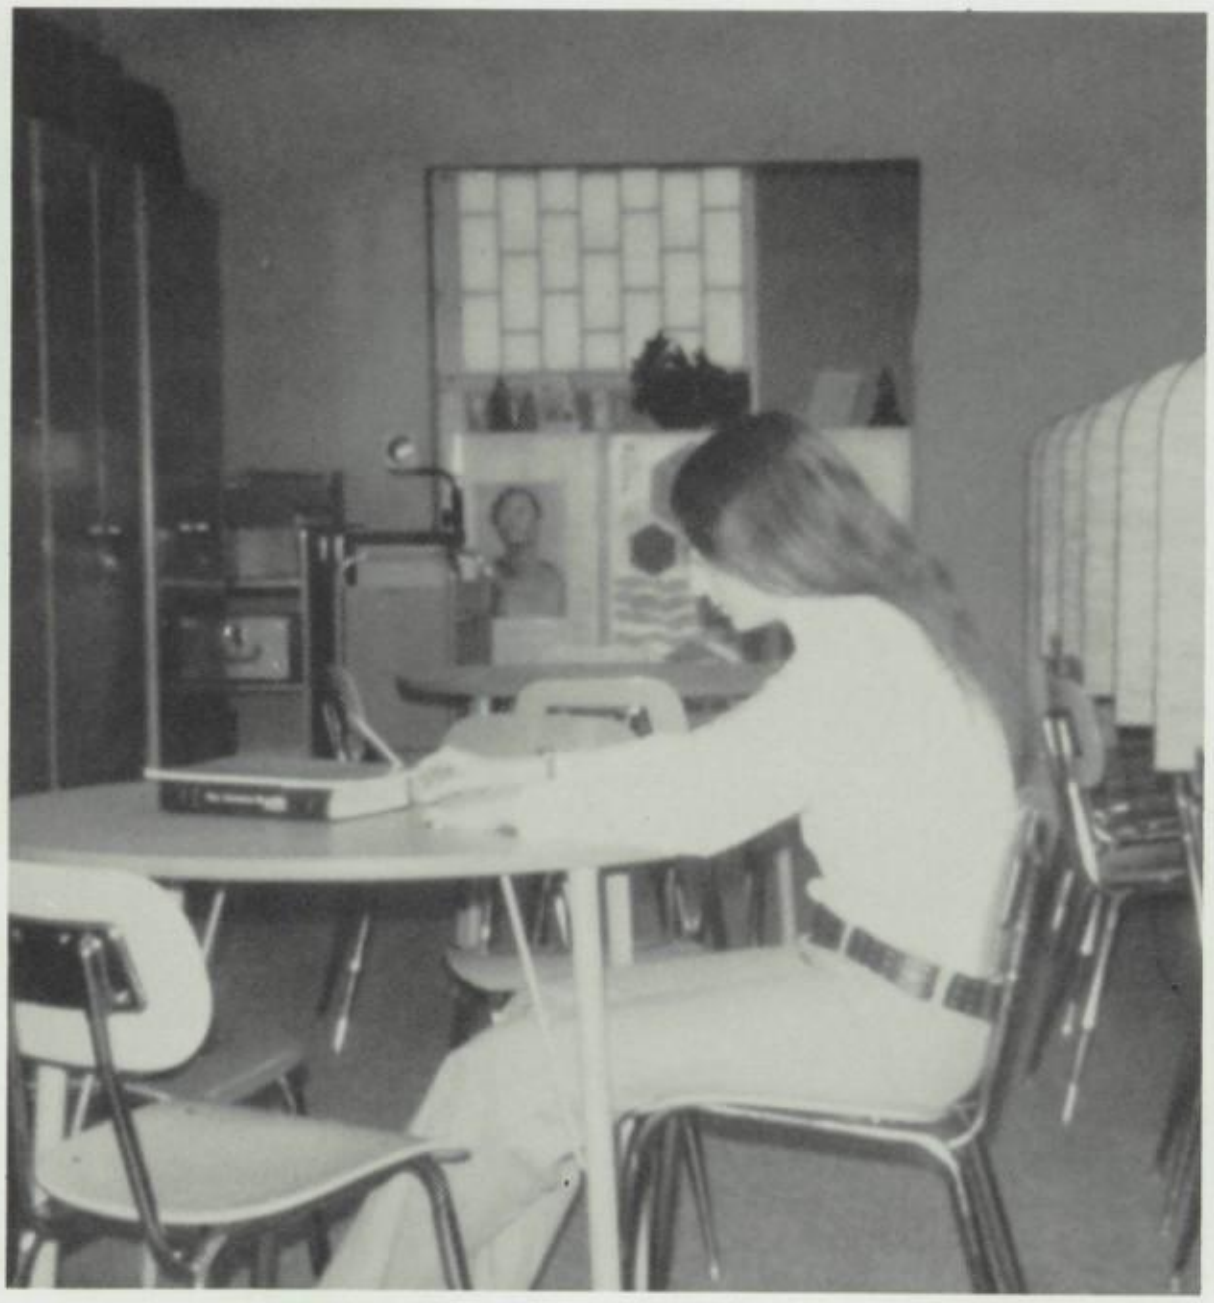
Plagued with injuries and other problems throughout the season, the Niagara Badgers ended a dissappointing season with a 10-10 record. Despite their record, there is optimism for next year as many young players did a fine job. Larry Marcellis, #41, led the Badgers this season breaking the school record by getting 42 points in his final game at Niagara.





32

As the year progressed students became involved in various activities which made 1974 a unique year for the students at NHS. The seniors participated in bowling for a section of their Phy. Ed. class - they learned the technique of "how to skillfully throw a bowling ball" towards the little white pins at the end of the alley. While some members of the class took their turn learning to bowl and to score, others took time to test the cuisine. Some found time just to contemplate - perhaps on how like their last year was the fast moving scene. It was back to the familiar surroundings of the IMC for quiet study after, though.



The Annual Christmas Concert was held on December 20, 1973. The high school band and chorus along with the seventh and eighth grade band presented an evening filled with selections from "The Sound of Music" and "Shaft" as well as the traditional Christmas melodies. This year's program had an added attraction of community Christmas Carol singing at the conclusion of the concert.

One thing unique about the year 1974 was the energy crisis. Energy Czar William Simon suggested lowering temperature which sometimes forced students into carrying their coats from class to class. There was much news and publicity about the energy issue, but very few solutions. Instead of sinking their teeth into the problem, politians tended to skirt the issue. The answers to this and many other domestic problems, are in the hands of young people, such as our seniors. The machines they learned about in Physics and the imaginative minds of these young adults may hold the key to solving these pressing issues.

The quiet, empty hallway is deceiving. Behind the big brown doors are roomfuls of wide-eyed students. As the photographer strolled down the corridor one 6th hour he saw many sights. Mrs. Wagner's room was buzzing with life. Mr. Quick had a surprised looking bunch. The IMC was filled with students studying in a hushed atmosphere. The typing room had the familiar concentrated tapping sound. All so well-known and safe.

"You May Say I'm a Dreamer . . . "

The theme of the Junior Prom held April 20, 1974 was "Imagine." The heavenly setting of yellow, green, and blue added a touch of lightness to the air as the couples danced to the music of Morrison & Co. The dreams of prom night will forever recall a vivid picture to our imagination.

The following article appeared in the June 4, 1974 issue of the IRON MOUNTAIN NEWS:

"Leonard Pedo, a math teacher in the Niagara Junior High School and assistant track coach, is retiring this year after being in the teaching profession for 38 1/2 years. He said that, 'It has never been a job because I enjoy working with young people.' Pedo has also been active as a Scout master, a 4-H leader, and a recreational director.

It was during his junior high school years that Pedo became interested in sports and decided to become a coach and teacher. He went on to attend Western Michigan University in Kalamazoo where he received his Bachelor of Science degree in 1932 and Master of Arts degree in 1956.

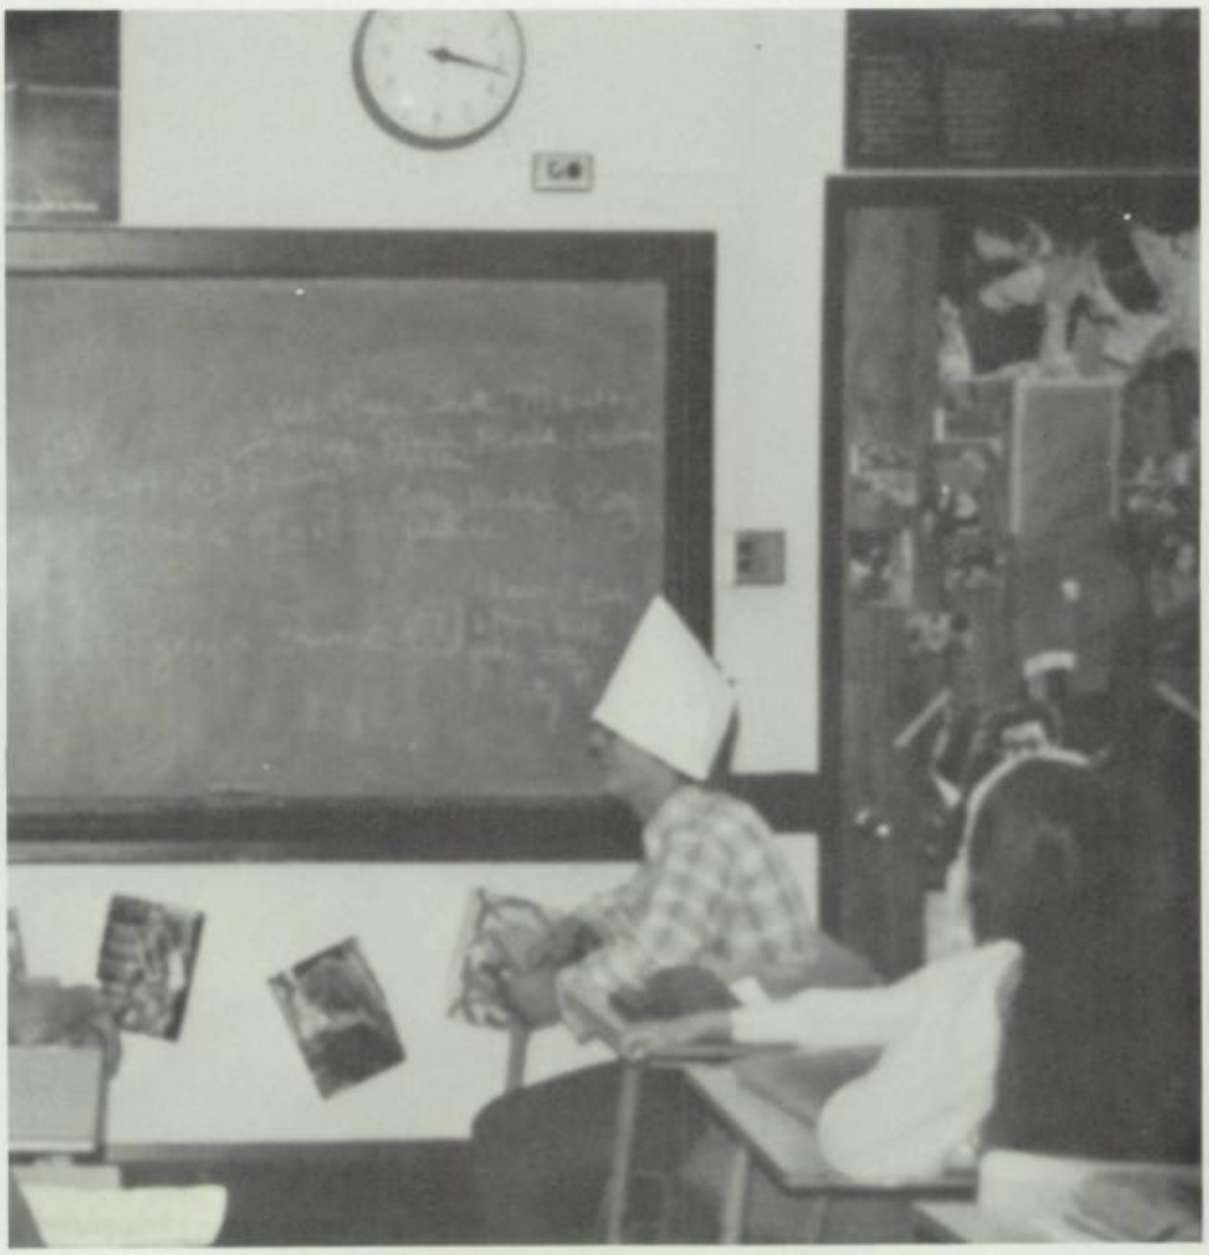
In the fall of 1949 Pedo, a Norway resident, began teaching in Niagara. Of the many meorable events in Pedo's life he feels the following two are outstanding. It was quite an hour for him when the class of 1959 dedicated the Badger to him, and he was 'extremely happy' to be part of the coaching staff when the track team won the Menominee Range Championship on May 10, 1958.

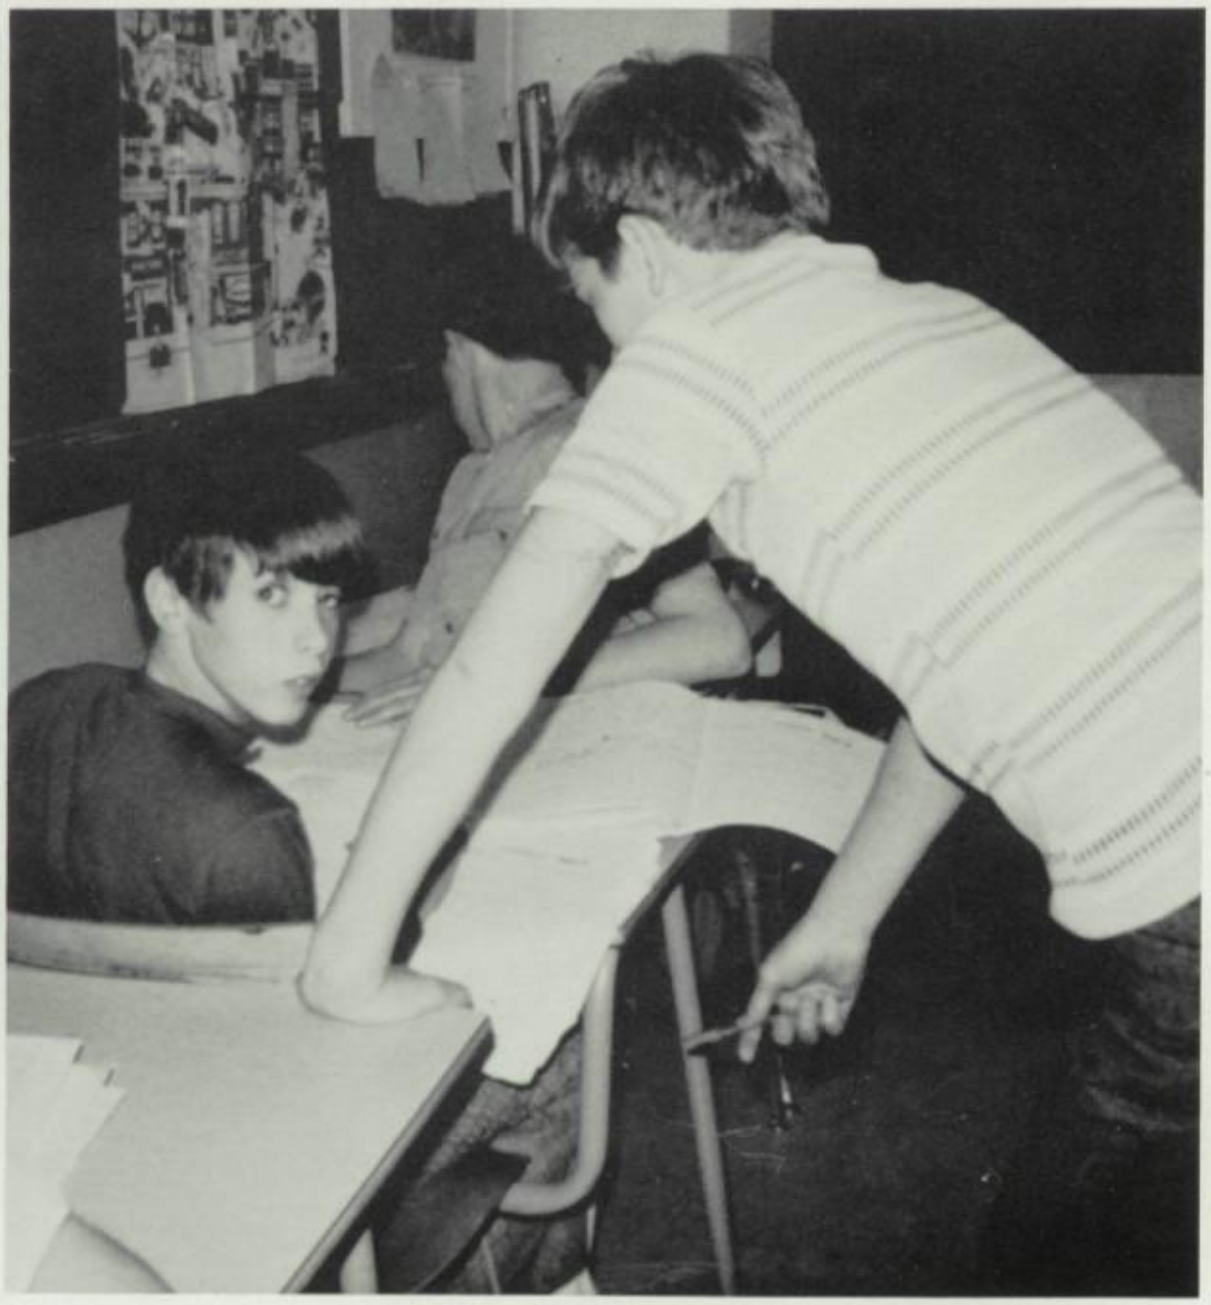
Pedo stated that he is going to miss the teaching profession, the track seasons and the many young people he has known. However, he intends to keep up with news of their achievements. He suggests that 'they make the most of every day because a busy day is a happy day.'

Life will remain busy for Pedo as he intends to stay active in bowling, hunting, and fishing. Flowers have also become an interest of his and he expects to spend more time growing them. He also hopes to enjoy more time with his grandsons Mark and Jeff, and would like to do some traveling."

The facts are written above. What is really important about Mr. Pedo's retirement isn't included in the article. The staff of NHS will be without one of the most dedicated teachers ever employed here when school resumes for 1974-1975. Mr. Pedo was not only dedicated in his profession, he was dedicated to art of being a Christian individual. Here is a man of quiet intellect and high morals. The 1974 Yearbook Staff, on behalf of all students ever who have had Mr. Pedo, would like to wish Mr. Lenard Pedo all the happiness and p e a c e that he is so deserving of. May your years of retirement be as fulfilling as your 38 years of teaching.

Mr. and Mrs. Lenard Pedo at the All-Awards Banquet, May 8, 1974.





The seventh grade English classes of Mrs. Wagner and Miss Peterson had a week unit in prejudice this year. Students were assigned to either the Gnorrd group or the Worrble group. The "lower class," Gnorrds, had to do what the high-class Worrbles wanted; they practiced segregation and class punishment. Due to the full cooperation of the high school students and full-scale participation, the teachers said that the prejudice study was a great success.

The sixteenth annual All Award Banquet was highlighted by the presentation of the Badger Award to Kathy Szczurek and Jon Giguere. Awards were also presented in the areas of forensics, varsity football and basketball, drama, cheerleading, newspaper, music, and majorette. Entertainment was provided by Lynn Kallenbach who sang a solo accompanied by Debbie Recla.

Seniors "Remember When"

May 1974 brought an end to thirteen memorable years for the Seniors at NHS. It was a time for finishing those last assignments, saying farewell to the old administration and sorting through lockers filled to the brim with memories. Many things accumulated in those lockers but they couldn't compare to the unforgetable tidbits accumulated in the minds of the class. Who could ever forget the day Mr. Wallenfang, after getting tangled up with the movie, calmly rewound what he could and found there was an "extra piece." Smiling, he shook his head and said "Throw it away we don't need that."

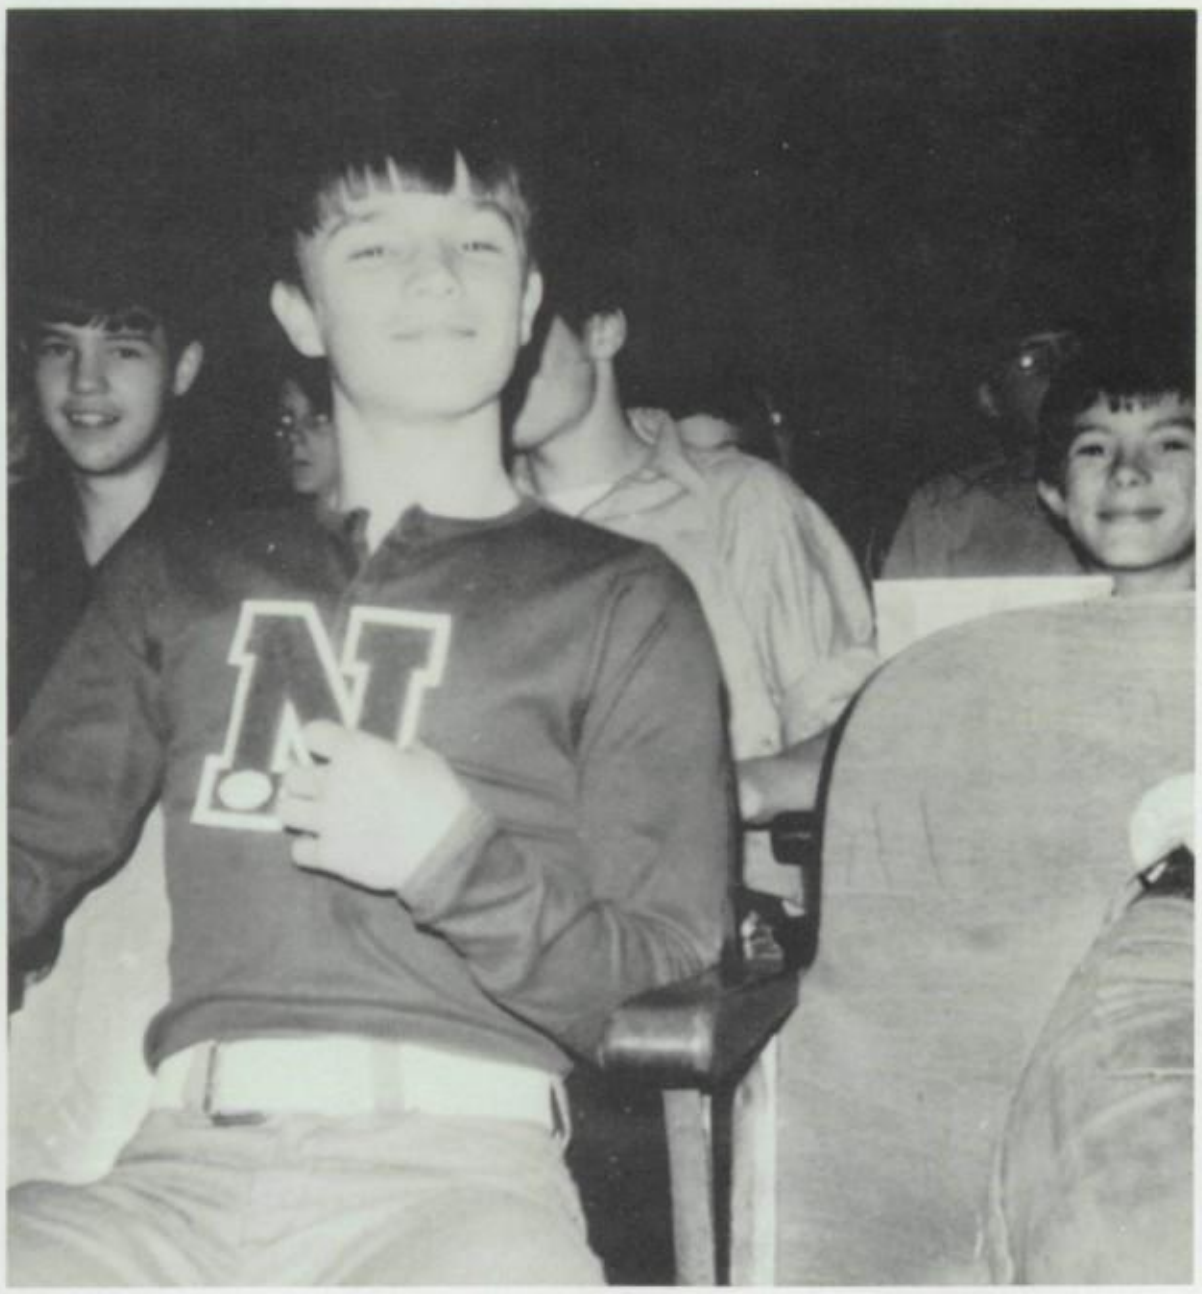
Induction Ceremony Held

National Honor Society induction ceremonies were held on Thursday, May 23. Miss Duffy Adelson provided entertainment with a flute solo accompanied by Pat Hohol. After last year's members explained the criteria - scholarship, leadership, character, and service, the inductees were invited to recite their oath. As their candles were ignited by Jennifer Klenke, they were challenged to give light to others as they had received it.

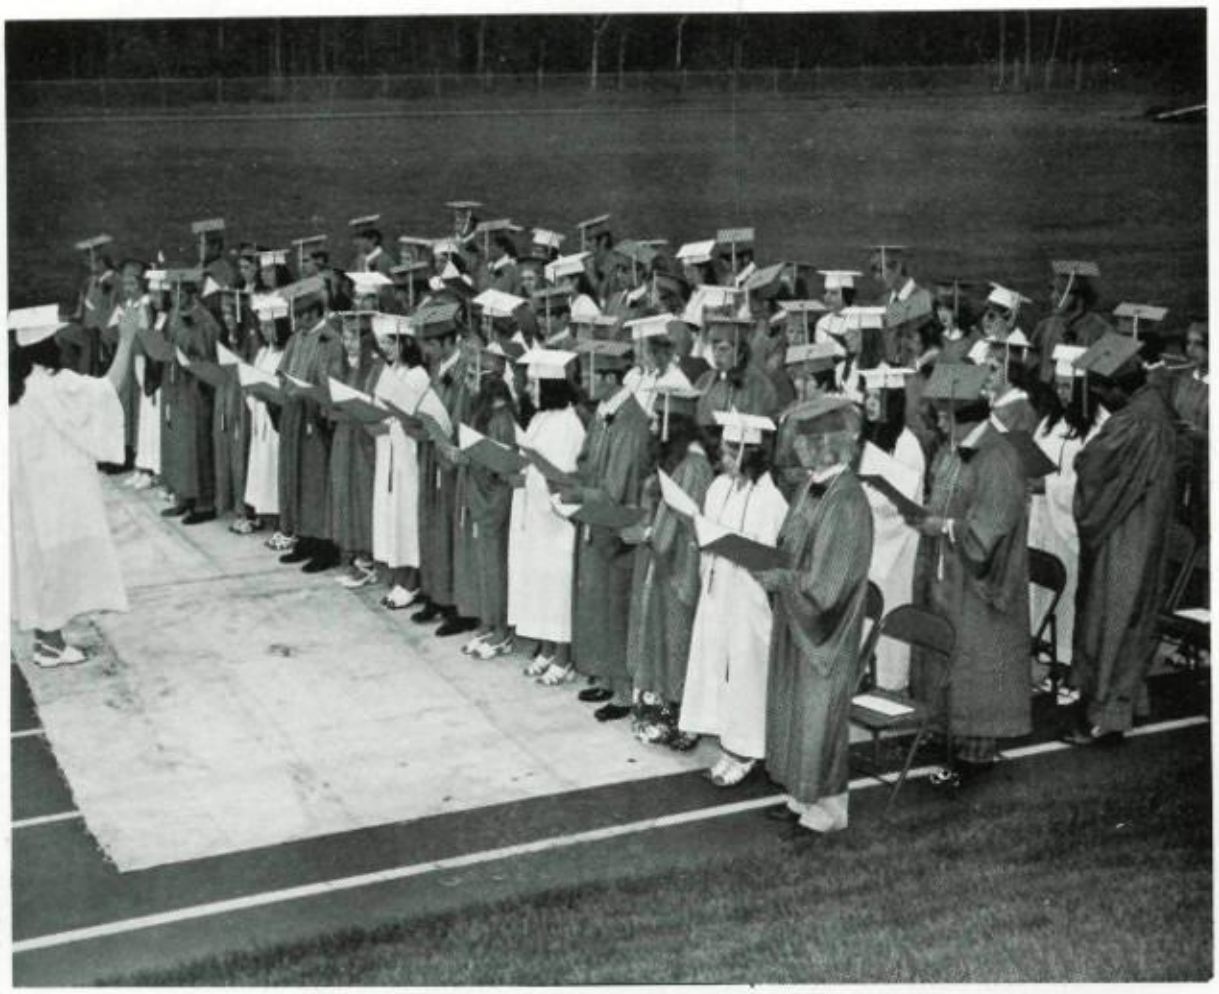
Seniors Picnic at Chi-cau-gon

Chi-cau-gon Lake was the scene of the Senior picnic held Tuesday, May 28. The cold, damp weather didn't dampen the spirits or the appetities of the class of '74. They played on the swings, played tackle football, volleyball, or, for variety, threw stones at the friendly photographer. The most popular activities of the day were eating fresh, hot pastries and crisp pickles. Some Seniors ended the day with an invigorating dip in the lake - not necessarily by choice, though.

LARRY



Awards Day was held on the last day of school - Friday, May 31. Spring sports awards were given including Most Valuable players. Junior varsity letters were presented to students in Varsity basketball, JV Cheerleading as well as the spring sports. Certificates were given this year to those girls who had worked as volunteers at the VA hospital. Music students received minor letters at this time also.



The Class of 1974 held Commencement Exercises at M. Ropele Stadium on a cloudy June 6, 1974. Despite the threatening weather, the sixty-four graduates were able to receive their diplomas and listen to their main speaker, Dr. Herbert Lundin, an alumus of NHS. Diplomas were awarded by Mr. Phillip Johnston, school board representative and father of one of the class. The class managed to sing only one of their songs - "Morning Has Broken." If only the weather had.

M.V.P.

"This year's most valuable player went to Sandy Kellenbach. Her hours which she put into track paid off, because she broke her old records. Her best times for 100 yd. dash, 11.8; 220 yd. dash, 28 seconds; and with the help of Marcia Sibilsky, Cari Raboin and Becky Doucette in the 880 medley they had a time of 1:58.2. Sandy's long jump improved from a 16'2 last year to a 16'4 this year. Sandy's over abundance of confidence and enthusiasm was an asset to the whole team.

- Coach Paul

This yearbook is a product of many hours of work and many people interested in accurately recording this school year for you.

In our endeavor, we have gained a great deal of satisfaction in working with some very special people - yourself included. We thank you wholeheartedly.

We would especially like to thank Mr. Nora for imparting his knowledge, talents, and most of all his friendship. As we graduate and he retires from teaching - we are both starting new phases of lives. Along with our sincere wishes for a happy retirement we also wish Mr. Nora a productive retirement - we hope he never loses his sparkling spirit and vitality.

To each of you - may this yearbook awaken fond memories each time you page through it.
